

ADIRONDACK INTERNATIONAL SPEEDWAY
NEW BREMEN, NY (Near Lowville)
315-346-7223
www.adirondackspeedway.com

TO: THE 10TH MOUNTAIN DIVISION COMMANDER AND THE ENTIRE FORT DRUM COMMUNITY

June 6th, 2009 is our annual Military Appreciation Day at Adirondack International Speedway (AIS). It is our way of saying thanks to those who serve our great country, as well as their families who support the soldiers during long deployments overseas.

This will be our second annual Adopt-A-Racecar program at AIS, and it is only for soldiers whose unit adopts a race team for the June 6th race. We have several race teams that have put themselves up for adoption. Any Company, Battalion or Brigade can adopt a team. The unit who adopts a race team can have up to two soldiers in the pit area for the entire race to serve as honorary pit crew members for the team that their unit adopts. This offer is extended out to all branches of the military who are part of the Fort Drum community.

Units who wish to adopt a race team can contact John Flock at his email; flock@bluefrog.com, subject "Adopt-A-Racecar" program. Registration is free. All we need is a point of contact and a good phone number to reach him or her at. Your POC will be instructed to arrive at Gate #2 at the speedway to link up with your race team in the pit area.

Soldiers and their spouses with a valid Military ID will get free admission to the races. Bring the kids because this is some of the best family entertainment in the North Country. The units will decide who serves as the honorary pit crew members.

Directions to the speedway from Fort Drum are easy. From Fort Drum, take Rt 26 to West Carthage. Turn left on Bridge St (by McDonalds). Continue into Carthage across the river and turn right on Mechanic St (the first traffic light). Stay on Mechanic St until it merges with Rt 126, about 2 miles. Turn right onto Rt 126 and go 11 miles to the town of Beaver Falls. Turn right on Artz Rd and go 2 _ miles to the Adirondack Speedway gate 3 (on your right). Parking is free.
